

The Bookplate Journal
First Series Volumes 1 to 20
1983-2002

AUTHOR AND TITLE INDEXES

The author index is obviously of use to anyone looking for the work of a particular contributor. The title index is of minimal utility since the subject matter of all articles is covered in the Names index where it may be found more quickly. Please advise me of any errors or omissions: the necessary corrections will be made and a new issue sent out from time to time.

Paul Latcham, Editor of The Bookplate Journal 2003-

25 June 2007

The volume number appears in bold face and the pagination in ordinary type.

Index by Author

- Allpress, P., Augmentations of Honour on Armorial Bookplates, **5**, 53-89; Index thereof, **6**, 84-93
